

## **JOB DESCRIPTION**

### **Local Consultant Ethiopia (m/f/d)**

Start: January 2021

Yunus Environment Hub is looking for an experienced and reliable Local Consultant (m/f/d) in Addis Ababa to support a project to develop and elaborate a social business solution in the local waste management sector.

Reporting to the project management, as the Local Consultant (m/f/d), you will support the team with local knowledge and actively engage in networking activities with various stakeholders especially from the waste management sector both formal and informal actors.

You enjoy working in an international environment and are passionate about social business and the waste management sector. You are a highly structured personality and enjoy connecting people from diverse backgrounds.

## **ABOUT THE ROLE**

### **Responsibilities**

Support project team during the development and conceptualising of a social business solution including business and financial plan in the waste management sector.

The tasks may include but are not limited to the following:

- Engage with existing partners and stakeholders
- Acquire new partner organisations and collaborators
- Recruitment and selection of participants for the survey and stakeholder consultation, i.e., industry experts, actors from formal and informal waste sector
- Conduct interviews and surveys, summarise results, analyse data
- Support the team in organising stakeholder consultations, meetings and field visits
- Varied translation tasks
- Support in documentation and reporting
- Varied desk research tasks, reviewing of studies and reports
- Provide input and validate data for business and financial plan
- Provide feedback to proposed social business solutions
- Personal assistance during field trips

### **Requirements**

- Min. 3 years of work experience in waste management sector
- Bachelor's degree or comparable in business, environmental management, industrial ecology or similar
- Good understanding of the formal and informal waste sector in Ethiopia
- Experience with stakeholder engagement processes
- Fluent in English, Amharic and preferable other local languages
- Ethiopian national based in Addis Ababa

- Smartphone and computer required
- Part-time freelance position, January – April 2021 with a total workload of approx. 21 days

### **Benefits**

- Meaningful project and mission-driven company
- A versatile and flexible work environment with organisations using business as a means for social and environmental impact
- An international dynamic team of passionate professionals from various disciplines
- Flexible and autonomous working conditions
- Competitive consultant fee

### **YUNUS ENVIRONMENT HUB**

Yunus Environment Hub (YEH) is the global social business network that creates solutions for the environmental crisis. Co-founded and led by Nobel Peace Prize Laureate Prof. Muhammad Yunus the YEH supports and develops Social Business solutions addressing environmental issues in a financially self-sustainable way.

We are a team of passionate professionals with backgrounds in engineering, business, social & political sciences, environmental studies or economics. Our growing team has its headquarters in Germany with local teams in India, Vietnam, Colombia and East Africa where we currently run larger social business programs. We truly believe that social business is part of the solution to address our global environment crisis. While our daily work can be challenging, we are convinced that every individual can make a change leading to collective impact. Together we make the impossible possible.

Please send your CV, cover letter, daily rate expectation and earliest starting date to Ms Luise Wunner ([luise.wunner@yunuseh.com](mailto:luise.wunner@yunuseh.com)).
