

Yunus Environment Hub is looking for a Program Manager (m/f/d)

We are looking for a full-time program manager (m/f/d), who will lead and coordinate programs in the East African region. Starting 1st of August 2021, the successful candidate will be based in Germany or CET.

Yunus Environment Hub (YEH) is the global social business network that creates solutions for the environmental crisis. Co-founded and led by Nobel Peace Prize Laureate Prof. Muhammad Yunus YEH's vision is to create A World of Three Zeros: Zero Poverty, Zero Unemployment and Zero Net Carbon Emissions. To achieve this vision, we support, design and implement social business solutions related to any aspect of the current global environmental crisis. A social business is a mission-driven business that is entirely dedicated to solving social or environmental problems. Specifically created for this purpose, a social business generates profits and aims to be financially self-sustaining. 100% of a social business company's profits are reinvested into its declared social mission.

Tasks and Responsibilities of the Program Manager

- Lead and coordinate capacity building and job creation programs in East Africa in close collaboration with the local project teams
- Overlook and manage project financials, reporting and documentation
- Liaise with project consortium and ecosystem partners, build stable relationships with all stakeholders
- Identify potential program applicants, engage and involve program participants, ensure a productive environment for mentors
- Coordinate project-related communications activities
- Align project roadmaps, timelines, and results to benefit most efficiently from synergies
- Impact measurement, overall project reporting, support new project proposals, provide strategic input for program development

Required Competencies and Experiences

- Commitment to the vision and core values of YEH as well as to topics of environmental and social sustainability as outlined by the United Nations' SDGs
- Min. 5 years of experience in project management related to business consulting of SMEs and the implementation of capacity building & training programs for SMEs
- Entrepreneurial mindset and solution-oriented business acumen
- High proficiency in communicating with different stakeholders from different systemic backgrounds
- Proven expertise in topics such as environmental performance assessments, circular economy, sustainable innovations and regulations
- Language requirements: fluent in English (spoken and written), Swahili is a plus

Benefits

- Meaningful projects and mission-driven company
- A versatile and flexible work environment with high impact organisations from social and environmental entrepreneurship
- A growing dynamic team of passionate professionals from various disciplines
- Remote work and productive office environment
- Competitive salary package

Conditions

- Start date: 1.7.2021
- Offices in Wiesbaden and Munich, remote work is possible

Application
