

Yunus Environment Hub is looking for a Financial Advisor (m/f/d)

We are looking for a freelance Financial Advisor (m/f/d), who will support a social business consultancy and coaching program in Kenya. Starting in February 2022, the successful candidate will be based in Kenya, Europe, or East Africa (remote work possible).

Yunus Environment Hub (YEH) is the global social business network that creates solutions for the environmental crisis. Co-founded and led by Nobel Peace Prize Laureate Prof. Muhammad Yunus YEH's vision is to create A World of Three Zeros: Zero Poverty, Zero Unemployment and Zero Net Carbon Emissions. To achieve this vision, we support, design, and implement social business solutions related to any aspect of the current global environmental crisis. A social business is a mission-driven business that is entirely dedicated to solving social or environmental problems. Specifically created for this purpose, a social business generates profits and aims to be financially self-sustaining. 100% of a social business company's profits are reinvested into its declared social mission.

What you will be doing

- Based on individualized needs analysis, prepare recommendations for financial strategies to social businesses
- Analyse the social businesses' financial statements and support in preparing financial and investment plans best suited to individual business' requirements
- Review the social businesses' financial statements and plans regularly to understand the effects of economic changes and changes in financial performance resulting from any disruptions
- Serves as an advisor to provide an evidence-based approach to financial risk solutions for social businesses
- Complete related duties in collaboration with other specialists and cultivate an interdisciplinary working mode

What you should bring

- Commitment to the vision and core values of YEH as well as to topics of environmental and social sustainability as outlined by the United Nations' SDGs
- Master's degree program in Finance, Economics, or Accounting
- 5-10 years of experience in financial management or business consulting of SMEs and the implementation of consulting frameworks for SMEs including results measurement
- Expertise in financial planning and investment strategies, accounting and tax-related knowledge is a plus
- Entrepreneurial mindset and solution-oriented business acumen

YUNUS ENVIRONMENT HUB

- Proficient in Word, Excel, Outlook, and PowerPoint
- High proficiency in communicating with different stakeholders from various backgrounds
- Language requirements: fluent in English (spoken and written), Swahili is a plus

What we offer you

- Meaningful projects and mission-driven company
- A versatile and flexible work environment with high impact organisations from social and environmental entrepreneurship
- A growing dynamic team of passionate professionals from various disciplines
- Flexible work locations
- Competitive remuneration model
