

## **Yunus Environment Hub is looking for a Health & Safety Environment Expert (m/f/d)**

We are looking for a freelance Health & Safety Environment Expert, who will support a social business consultancy and coaching program in Kenya. Starting in February 2022, the successful candidate will be based in Kenya.

**Yunus Environment Hub (YEH)** is the global social business network that creates solutions for the environmental crisis. Co-founded and led by Nobel Peace Prize Laureate Prof. Muhammad Yunus YEH's vision is to create A World of Three Zeros: Zero Poverty, Zero Unemployment and Zero Net Carbon Emissions. To achieve this vision, we support, design, and implement social business solutions related to any aspect of the current global environmental crisis. A social business is a mission-driven business that is entirely dedicated to solving social or environmental problems. Specifically created for this purpose, a social business generates profits and aims to be financially self-sustaining. 100% of a social business company's profits are reinvested into its declared social mission.

### **What you will be doing**

- Inspect and evaluate workplace environments, equipment, and practices to ensure that the social businesses follow sector-specific safety standards and government regulations
- Develop a Covid specific hygiene concept to improve working conditions
- Prepare written HSE reports on their findings
- Carry out risk assessments and site inspections
- Design and implement workplace processes and procedures that help protect workers from unsafe work conditions and Covid infections
- Evaluate programs on workplace health and safety
- Educating the social businesses and their employees about workplace safety by preparing and providing training and advisory programs

### **What you should bring**

- Commitment to the vision and core values of YEH as well as to topics of environmental and social sustainability as outlined by the United Nations' SDGs
- Experience in providing consultancy and leadership support to managers and staff in relation to health and safety environment, workers compensation, and risk Management.
- Min. 5 years of experience in health and safety environmental management, quality management or risk management
- Good knowledge of pandemic-related risk mitigation strategies
- Expertise in topics such as environmental performance assessments, circular economy, sustainable innovations, and regulations is a plus

## YUNUS ENVIRONMENT HUB

- Bachelor's degree in Environmental Management /Quality Management/ Occupational Health and Safety (master's degree is a plus)
- Knowledge of related legislation and legislative obligations, particularly the Health and Safety regulations, Codes of Practice and Standards and how they impact on employment and service delivery.
- Independent working style and entrepreneurial spirit with creative problem-solving skills
- High proficiency in communicating with different stakeholders from different backgrounds
- Language requirements: fluent in English (spoken and written). Swahili is mandatory

### **What we offer you**

- Meaningful projects and mission-driven company
- A versatile and flexible work environment with high impact organisations from social and environmental entrepreneurship
- A growing dynamic team of passionate professionals from various disciplines
- Productive office environment in Nairobi
- Competitive remuneration package
- National travel is required

### **Statement on Diversity, Equity, and Inclusion**

Yunus Environment Hub is committed to equal employment opportunities for all. We strive to provide a friendly, safe, and welcoming environment for all who work with us, regardless of gender, gender identity, sexual orientation, skin colour, disability, physical appearance, national or ethnic origin, marital status, age, or religion (or lack thereof).

### **Apply now and support our vision towards a World of Three Zeros: Zero Poverty, Zero Unemployment, and Zero Net Carbon Emissions**
