

Yunus Environment Hub is looking for an Independent Social Business Consultant (m/f/d)

We are looking for a full or part-time Independent Social Business Consultant (m/f/d), who will support a social business consultancy and coaching program in Kenya. Starting in January 2022, the successful candidate will be based in Kenya.

Yunus Environment Hub (YEH) is the global social business network that creates solutions for the environmental crisis. Co-founded and led by Nobel Peace Prize Laureate Prof. Muhammad Yunus YEH's vision is to create A World of Three Zeros: Zero Poverty, Zero Unemployment and Zero Net Carbon Emissions. To achieve this vision, we support, design and implement social business solutions related to any aspect of the current global environmental crisis. A social business is a mission-driven business that is entirely dedicated to solving social or environmental problems. Specifically created for this purpose, a social business generates profits and aims to be financially self-sustaining. 100% of a social business company's profits are reinvested into its declared social mission.

What you will be doing

- Overlook the implementation of a consultancy and mentoring program, including providing technical assistance and advice on business development, administrative and managerial services.
- Lead the design of strategies and policies related to circular value chain development.
- Conduct regular, in-depth analyses of the businesses' processes and strategies to ascertain strengths and shortcomings and
- Lead the reformulation of the existing and promising business models to stabilise turnover and develop concise circular economy strategies.
- Inspect the businesses' finances, social and environmental impacts to identify trends and set reasonable targets and strategies for the businesses

What you should bring

- Commitment to the vision and core values of YEH as well as to topics of environmental and social sustainability as outlined by the United Nations' SDGs
- 5-10 years of experience in project management related to business consulting of SMEs and the implementation of consulting frameworks for SMEs including results measurement
- Proven expertise in Circular Economy strategies, frameworks, and implementations
- Master's degree in business administration, business development, economics, or similar
- Extensive experience as a business development consultant or equivalent
- Entrepreneurial mindset and solution-oriented business acumen

YUNUS ENVIRONMENT HUB

- High proficiency in communicating with different stakeholders from different backgrounds
- Proven expertise in topics such as environmental performance assessments, sustainable innovations, and regulations
- Language requirements: fluent in English (spoken and written), Swahili is mandatory

What we offer you

- Meaningful projects and mission-driven company
- A versatile and flexible work environment with high impact organisations from social and environmental entrepreneurship
- A growing dynamic team of passionate professionals from various disciplines
- Productive office environment
- Competitive remuneration model

Statement on Diversity, Equity, and Inclusion
