

## **Yunus Environment Hub is looking for a Social Business Strategist (m/f/d)**

We are looking for a full-time Social Business Strategist (m/f/d), who will lead and coordinate our Build Back Better Social Business Support Program in Kenya. Starting as early as possible, the successful candidate will be based in one of our offices in Berlin, Munich or Wiesbaden in Germany (partly remote possible).

**Yunus Environment Hub (YEH)** is the global social business network that creates solutions for the environmental crisis. Co-founded and led by Nobel Peace Prize Laureate Prof. Muhammad Yunus, YEH's vision is to create A World of Three Zeros: Zero Poverty, Zero Unemployment, and Zero Net Carbon Emissions. To achieve this vision, we support, design and implement social business solutions related to any aspect of the current global environmental crisis. A social business is a mission-driven business that is entirely dedicated to solving social or environmental problems. Specifically created for this purpose, a social business generates profits and aims to be financially self-sustaining. 100% of a social business company's profits are reinvested into its declared social mission.

### **What You Will Be Doing**

- Develop a scalable methodology and strategy to increase resilience, circularity of social businesses from various business sectors such as agriculture, hospitality, production, and services that have been affected by the Covid pandemic
- Coordinate a team of consultants, mentors, and trainers that are based in Kenya and lead the team of experts to successful completion of the program
- Organize a funders roundtable and support social business entrepreneurs in obtaining funding
- Coordinate and implement Covid measures with external experts
- Provide clear and timely reporting documents (impact measurement, project financials, project-related communications, project reporting, and other documentation)
- Liaise with project consortium and ecosystem partners and build stable relationships with all stakeholders

### **What You Should Bring**

- Commitment to the vision and core values of YEH as well as to topics of environmental and social sustainability as outlined by the United Nations' SDGs
- At least 3-5 years of experience in social business and impact investing with a background in both consulting and project management
- Master's Degree in Social Business, Social Innovation, Economics, Business Administration, Entrepreneurship or similar field
- Know-how and proficiency of Circular Economy required
- Work exposure in developing/emerging economies required, in Kenya as a preference

## YUNUS ENVIRONMENT HUB

- Independent working style and entrepreneurial spirit with creative problem-solving skills
- Proven coaching skills and ability to lead a team
- Excellent communication skills with both internal and external stakeholders
- Exceptional verbal and written communication skills in English and Swahili, with German as a plus
- Experience in environmental impact assessment and certifications is a plus

### **What We Offer You**

- A job with a strong purpose and direct impact
- Meaningful projects and mission-driven company
- A versatile work environment in the field of environment and social business
- Competitive salary package
- A combination of productive office environment and home office
- A high level of responsibility and development opportunities from day one
- A diverse and international team of passionate experts from different disciplines

### **Statement on Diversity, Equity and Inclusion**

Yunus Environment Hub is committed to equal employment opportunities for all. We strive to provide a friendly, safe, and welcoming environment for all who work with us, regardless of gender, gender identity, sexual orientation, skin colour, disability, physical appearance, national or ethnic origin, marital status, age or religion (or lack thereof).
