Client / Organization:	Yunus Environment Hub Philanthropy gGmbH
Location:	Remote, India
Project Duration:	15.09.2022 – 30.09.2022
Personnel service delivery:	preparing and delivering workshop in India

Reference Number: YEHP22-0004

1. Background

Yunus Environment Hub (YEH) is the global social business network creating solutions for the environmental crisis. Co-founded by Nobel Peace Prize Laureate Prof. Muhammad Yunus, YEH supports and develops social business solutions addressing environmental issues in a financially self-sustainable way. Focus areas are solutions for improved waste management & sustainable plastic recycling, circular economy, carbon neutrality, biodiversity, sustainable agriculture, access to clean water and clean energy.

2. ValuCred Program

ValuCred is a consortium led by Yunus Environment Hub, Nehlsen & Rodiek, and BlackForestSolutions, for the design and financing of sustainable plastic waste management systems. ValuCred is one of the first projects promoted by PREVENT Waste Alliance, with funding from the German Federal Ministry for Economic Cooperation and Development (BMZ) and the Röchling Stiftung.

3. Scope and Timing

The consultant is expected to prepare a comprehensive overview of the latest project activities based on existing reports and documentation. Furthermore, a comprehensive data analysis about pilot outcomes is part of the preparatory work. In the week starting 19th September 2022, the consultant is expected to accompany the team on site to deliver the workshop, attend meetings and field visits.

Travel costs are reimbursed after the trip.

The assignment ends on 30th September 2022. A final report concludes the delivery of the contract.

4. Budget and Application

Interested applicants are requested to submit a resume, day rates and a proposed travel plan to tenders@yunuseh.com by 14.09.2022. The candidates will be ranked by suitability and economic factors.
